# SUPERTOTS

Young children acquire language differently from other learners and need to be completely involved and engaged in the process. **SuperTots** is a new 3-level program that draws children into a comfortable, secure and lively learning environment. Children's interest is engaged by various games, songs, TPR activities, crafts and stories. **SuperTots** is a carefully structured program designed to give children a great start!

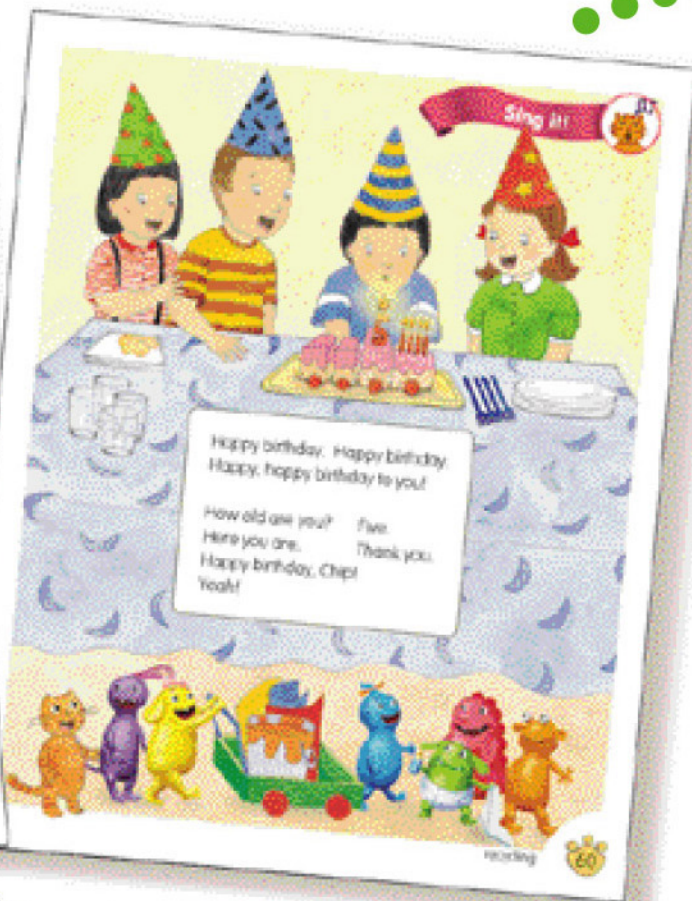

幼兒的英語學習不同於其他時期的學習者，他們必須在完全參予活動的情況下才會學到東西。

**SuperTots** 是一套分成三個等級六冊，並針對幼稚園學生設計的英語課程。這套教材結合了學齡前小朋友的興趣，並且透過多樣化的活動、歌曲、韻文、遊戲、TPR 及勞作提昇學習的興趣。

## Talk about it!

- Children are introduced to the theme of the unit through a continuing story about a group of children and their playtime friends.  
透過一群小朋友與他們朋友的故事帶出每一單元的主題。
- Children feel comfortable and at ease with the familiar, child-centered themes presented.  
以小朋友為主的學習使學習輕鬆愉快。

### What is it?

- Vocabulary is shown in the illustrations or as a sticker that children can place wherever they want on the page to personalize their book.  
單字的學習是以畫圖或貼貼紙的方式呈現，如此，讓小朋友擁有個人化的課本。
- Recorded vocabulary gives children a clear model and allows them to practice the new vocabulary.  
聽力CD中所示範的單字為小朋友提供正確的示範及課後練習的機會。
- A wide variety of optional games and activities allow children to use new vocabulary in context.  
多樣化的活動與遊戲讓小朋友在情境中應用學到的新單字。

### Sing it!

- Dialogs are easy to remember through rhythm and music, with lively actions to maintain children's attention and enthusiasm.  
利用歌曲、韻文、音樂加上生動活潑的動作，幫助小朋友記住對話內容。
- The karaoke version of each song allows children to review dialogs in a fun way, as well as to substitute their own words into the song.  
歌曲的伴唱版不僅讓小朋友反覆練習對話，也讓他們有機會代換自己喜歡的單字並唱出一首新的歌。

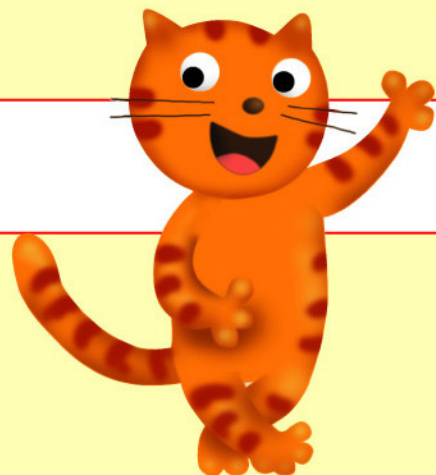

### Do it!

- Children are introduced to commands through Total Physical Response activities.  
透過肢體反應教學法 (TPR) 幫助小朋友學習課堂中常見的指令。
- TPR keeps children active and engaged.  
肢體反應教學法 (TPR) 讓小朋友在學習的過程中充分參予，積極學習。
- Lively chants help improve listening skills and enliven the lesson.  
生動活潑的韻文增強小朋友的聽力能力。

### Use it!

- Dialogs and vocabulary are recycled and extended.  
在 **Use it!** 中充份複習學過的對話與單字，並加以延伸應用。
- The language is always presented in the form of a song or chant.  
新學到的語言以歌曲或韻文的方式呈現。

## Say it!

- Familiar vocabulary is used to increase sound awareness for individual letters. 藉由熟悉的單字增進對字母發音的認識。
- Children find objects in the picture starting with the same letter sound. 小朋友在圖片中找到與字母開頭發音相同的單字。
- Songs allow children to practice the sound and focus on the individual letter. 歌曲幫助小朋友練習發音，並且特別注重字母的發音。

## I can do it!

- After each lesson children are rewarded with stickers that they can place in the thematic picture at the end of the unit. 每一單元結束後，小朋友都可以獲得獎勵貼紙，並把貼紙貼在單元後面的主題圖畫區。
