**A** (TR 13)

- B** Eva, I can't wait for summer vacation!
- G** Me too, Danny. I'll go to the beach and \_\_\_\_\_. What will you do this summer?
- B** I'll \_\_\_\_\_.
- G** Do you like summer sports?
- B** Yes, and I like winter sports too.
- G** Like what?
- B** Like \_\_\_\_\_. It's my favorite.
- G** Will you go this year then? What will you do this winter?
- B** Sure, I'll go skiing. I go every year! What will you do this winter?
- G** I'll have a giant \_\_\_\_\_ fight! It's no winter without a snowball fight!
- B** Ha! You're right!

**B** (TR 14)

- G** Do you have any plans for this summer?
- B** Yes. I'm going to the \_\_\_\_\_ with my family.
- G** We're going to the beach too. What will you do?
- B** I'll build a super big \_\_\_\_\_. What about you?
- G** I'll learn to \_\_\_\_\_.
- B** That's awesome. I want to do something cool like that.
- G** What about \_\_\_\_\_?
- B** That's a good idea. I'll talk to my mom about that.
- G** OK. Good luck with that!

### C (TR 15)

- B** Are you ready for winter vacation? What will you do this winter?
- G** I'll \_\_\_\_\_. I'm very excited.
- B** Is it your first time going skiing?
- G** Yes. I only \_\_\_\_\_ ice-skating before. What will you do this winter?
- B** We went skiing last winter. So, we'll go \_\_\_\_\_ this year.
- G** Sledding sounds fun too.
- B** Yeah, my sister's really looking forward to it.
- G** OK then, have fun! I'll see you after the \_\_\_\_\_!

### D (TR 16)

- G** You can do many fun activities in both summer and winter. Which season do you like better? My brother, Tate, likes summer. This summer, he'll go to the beach often. He likes to swim and collect \_\_\_\_\_ there. My sister, Maria, likes winter better. She likes to have \_\_\_\_\_ with her friends. This winter, she'll go \_\_\_\_\_ often. As for me, I like to do everything they like to do. So I like both summer and winter!
