Welcome to our seminar on study tips! I'm sure many of you are here because you're worried about your performance in school. Before we begin, did you know there are different learning styles for each person? In fact, there are three different learning styles: visual, auditory, and interactive. Visual learners learn best when they see information. So they understand and remember information best by \_\_\_\_\_  
**9** through written words, pictures, or charts. Auditory learners learn best when they hear information. So, listening to lectures or having discussions are some good ways to learn. Interactive learners learn best by actively \_\_\_\_\_.  
**10** For them, actually doing a science experiment is a better way to learn than reading a textbook. Now, I'll introduce you to some study tips for each learning style.

Are you at home with nothing to do? Make your own indoor garden with our three different gardening \_\_\_\_\_.  
**11** Do you want a garden that lasts all year round? Try our greenhouse kit. It'll help your seeds sprout even in the winter. Our kit comes with herb seeds, but any other seeds work too! What about a clean and simple garden? Then build a terrarium. A terrarium is a garden in a glass bowl. Our terrarium kit comes with \_\_\_\_\_,  
**12** a bit

of soil, and cactus-like plants. They're easy to make and beautiful to look at.

Lastly, if you want something fancy and \_\_\_\_\_, make a fairy

**13**

garden. The fairy garden kit includes mosses, adorable figures, and

decorations for you to make your own fairy village!
