### Unit 7 Sports

\* Listen and write.

**A** (TR 50)

- B** Hey, Natalie. Did you hear about the \_\_\_\_\_ event at the beach this weekend?
- G** No, Jim. What kind of sporting event?
- B** There's going to be wakeboarding, windsurfing, and \_\_\_\_\_.
- G** How cool! Is it on Saturday or Sunday?
- B** It's for two days. On Saturday, there'll be jet-ski races, and \_\_\_\_\_ and windsurfing races will be on Sunday.
- G** Oh, I promised to \_\_\_\_\_ out with my little brother on Saturday. But I definitely want to go on Sunday and see the wakeboarding and \_\_\_\_\_ races.
- B** No \_\_\_\_\_. I have other plans on Saturday too. Do you want to meet up Sunday morning and go together?
- G** Sounds great. How about 10 am?
- B** The races start at 10:30, so that'd be perfect!
- G** Great. I'll see you there.

**B** (TR 51)

- W** Jack, the weather's great. Why don't you go out and get some exercise?
- B** ...

- W** Are you in your room playing computer games again?
- B** Hey, mom. You know, gaming's also a sport. It's \_\_\_\_\_.
- W** What are you trying to say?
- B** My point is, I am exercising, just not \_\_\_\_\_.
- W** That's not real \_\_\_\_\_. Pro gamers actually exercise every day to stay strong and healthy. You didn't know that, did you, Jack?
- B** Really? Why?
- W** Matches can go on for \_\_\_\_\_. Pro gamers need a strong body and \_\_\_\_\_ to get through them.
- B** Oh....
- W** And they have to manage their diets like other \_\_\_\_\_ too. There's a reason it's called a sport.
- B** All right. I'll go for a \_\_\_\_\_.
- W** That's a good idea. I'll come with you.

### **C** (TR 52)

- M** Today, we'll learn about different traditional sports around the world. Now, let's look at the screen. Who can tell me what sport this is?
- G** It's ice hockey!
- M** You're right, Jane. Ice hockey is a traditional sport of Canada. It's a team sport \_\_\_\_\_ on ice. What about this sport?
- B** It looks like some kind of \_\_\_\_\_. What is it?
- M** Thank you, James. It's a type of wrestling called sumo.
- B** Oh. I've heard of it. It's a traditional sport of Japan, right?
- M** Right. It's an \_\_\_\_\_ sport played on a clay \_\_\_\_\_. What about this next one?

**G** Hmm, it's like American \_\_\_\_\_. But the players are not wearing helmets.

**M** Yes. It's \_\_\_\_\_, a traditional sport of England.

**G** I see.

**M** It's a team sport played on a grass or \_\_\_\_\_ field.

### **D** (TR 53)

**W** Good afternoon, ladies and gentlemen! Welcome to the World Jiu-Jitsu \_\_\_\_\_ here in Copenhagen, Denmark. Before we begin, I'll briefly explain the rules. Jiu-jitsu has a \_\_\_\_\_ system where players receive points for certain moves. For example, a player will earn two points for \_\_\_\_\_ or getting one knee on top of the other player, and four points for sitting on top of them. However, you cannot punch or kick the other player. The final goal is to get the other player to give up by using a lock or choke \_\_\_\_\_. When the other player \_\_\_\_\_ up, the match ends \_\_\_\_\_ and the attacker wins. Now, we'll start our opening match with James Miller wearing white and Tom Gibbs wearing blue.
