

Class: _____ **Name:** _____

Unit 7 Money

*** Listen and write.**

A (TR 50)

- W** Hello, welcome to Peter's Clothing.
- B** Hi. I'm looking for _____ for my parents.
- W** Certainly. Do you have anything _____?
- B** I'm thinking of warm clothing like hats, _____, or gloves.
- W** OK, what do you think of these gloves and scarves? They're very popular and on sale right now.
- B** They look nice. How much are the gloves?
- W** They're originally 60 dollars, but _____ a 10% discount, they're down to 54 dollars.
- B** All right. I'll get these gloves for my mom. What about these scarves?
- W** They're _____ 50 dollars, but only 45 dollars right now. Everything is 10% off until Sunday.
- B** Hmm. The scarves are nice, but I think my dad _____ has a few scarves.
- W** Then what about these socks? They're high-quality socks _____ a great _____.
- B** They look good.
- W** They come in a set of _____ for 36 dollars.
- B** OK. I'll get the socks for my dad _____.

B (TR 51)

- B** So, how much _____ do you think we can sell this Saturday?
- G** Hmm. _____ 30 cups if we stay in our _____ and 50 cups if we go to the park.
- B** Then, let's go to the park.
- G** All right. We'll need about one lemon per cup. So, let's get ten _____ these lemons. There are five to six lemons in each bag.
- B** _____. They're 5 dollars a bag, so that's 50 dollars.
- G** Now the sugar and ice.
- B** One bag of sugar should _____, which is 4 dollars.
- G** And what about three bags of ice? They're 2 dollars a bag.
- B** Good. Lastly, we need cups. Look, this one is 50 cups for 15 dollars.
- G** OK, let's _____. And how much is all that?
- B** That's 75 dollars _____.
- G** If we sell all 50 cups, 3 dollars each, then we'll _____ 75 dollars in the end!

C (TR 52)

- G** Hey, Thomas. Guess what? I've started getting an allowance.
- B** Hey, Alice. That's awesome. I _____ I got an allowance too.
- G** Yeah, it's _____ nice. But I kind of have to earn my allowance.
- B** What do you mean by that?
- G** For example, if I clean our fish tank, I earn 10 dollars. And if I _____ the _____, I earn 15 dollars.
- B** I see. _____ if you don't do any of that? Do you get nothing?

G No. I still get at least 15 dollars a month.

B That's nice. Then, what do you do with your _____?

G I use it to buy whatever I want. You know what the _____
_____ is?

B No, what is it?

G I always have _____ to _____ ice cream when the ice cream
truck _____. I even get two – one for myself and one
for my little sister!

D (TR 53)

M How can you _____ your money _____? There are three ways to
manage your money: spend it, save it, or invest it. Spending is _____ the
easiest thing to do. Whether it's buying things for yourself or _____, or
even donating to charity, _____ money brings joy. What is your favorite
way to spend your money? Saving money is a simple but sure way to turn your
_____ money into a bigger fortune. Go to a _____ near your house
and _____ a savings account. You'll soon feel the _____ of seeing
your money grow. Lastly, you can invest. This could mean investing in stock
markets, but don't forget to _____ in yourself too. The money spent on
your education and future is a _____ investment. Remember, your money
matters. So, find the right balance _____ spending, saving, and investing.
It's the most important thing when _____ money.
