### Unit 4 Mysteries

\* Listen and write.

**A** (TR 27)

**B** Hey, Susan. Look at this.

**G** Hi, Charles. Hey, it's *The Adventures of Sherlock Holmes*.

**B** Yeah. I never read \_\_\_\_\_ before. But I remembered you saying this book is really fun.

**G** It is! \_\_\_\_\_ you'll like it.

**B** Actually, I already kinds of like it. I read a \_\_\_\_\_ at the library, and then I borrowed it because I wanted to read more.

**G** Awesome. I can recommend you other mystery books too if you want.

**B** Sure, I'd love to \_\_\_\_\_.

**G** Try *A Study in Scarlet*. It's \_\_\_\_\_ by the same author, and I liked that one too.

**B** OK. What about books by \_\_\_\_\_ authors?

**G** Hmm, I recently read *And Then There Were None* by a \_\_\_\_\_.

**B** How was that?

**G** It was very clever. I'm \_\_\_\_\_ read another novel by the same author. It's called, *Murder on the Orient Express*.

**B** Sounds exciting! All right, I'll go read now.

**B** (TR 28)

- G** Hey, Jack. Have you ever heard of the Bermuda \_\_\_\_\_?
- B** Hey, Jenny. Hmm, I'm not sure. What is it?
- G** It's an area in the Atlantic \_\_\_\_\_ airplanes, ships, and people disappear.
- B** Oh, *that* place. Yeah, I've heard of it.
- G** Isn't it so strange that things could just \_\_\_\_\_ like that?
- B** Well, what do you think is happening?
- G** It's hard to say. But I think it has something to \_\_\_\_\_ aliens.
- B** What? Do you really think so? I'm sure there's some kind of scientific explanation.
- G** \_\_\_\_\_?
- B** Like bad weather or \_\_\_\_\_ problems.
- G** But there are interviews of people who saw things disappear there too.
- B** Jenny, you can't believe all that. Besides, things don't \_\_\_\_\_ disappear anymore now, do they?
- G** I guess not.
- B** See? That's because we have better \_\_\_\_\_. Signals hardly ever \_\_\_\_\_ connection now.
- G** Yeah, \_\_\_\_\_.

### **C** (TR 29)

- B** What are you reading?
- G** It's a \_\_\_\_\_ post about world mysteries, like the Loch Ness Monster.
- B** That's the \_\_\_\_\_ that lives in the lake somewhere, right?
- G** Yes. It's believed to live in a \_\_\_\_\_ in Scotland called Loch Ness.

- B** Oh yeah, I remember seeing its photo on the \_\_\_\_\_.
- G** Many people say it's a lie now. But some \_\_\_\_\_ believe it exists.
- B** Oh, was it a lie? What else does the \_\_\_\_\_ talk about?
- G** Crop circles.
- B** Crop \_\_\_\_\_? What are those?
- G** They're large, mysterious circles that appear in \_\_\_\_\_, like these photos.
- B** You're right. They \_\_\_\_\_ strange.
- G** Yeah. When they first appeared, people thought they were the \_\_\_\_\_ of aliens. But later, it just turned out to be two people who made them.
- B** That's disappointing. I wish there were some \_\_\_\_\_ mysteries.
- G** Yeah. It's hard to hear about a good mystery anymore.

### **D** (TR 30)

- G** Hello, everyone. I'm Maria Marquez from the school Mystery Club. We're having a Summer Night Dare this Friday. Anyone who's interested, please visit our \_\_\_\_\_ to sign up. The club room is on the 2<sup>nd</sup> floor next to the girls' restroom. The dare will start at 9 pm and there'll be three dare \_\_\_\_\_. Mission 1, take a selfie with the reading boy \_\_\_\_\_ by the school entrance. People say that the boy comes to life at night, \_\_\_\_\_ of his book. Mission 2, record a video of yourself singing in the science lab. There may be another voice singing \_\_\_\_\_ you. But your mission is to finish your song. And Mission 3, \_\_\_\_\_ a

\_\_\_\_\_ of yourself walking up and down the stairs of the library.

\_\_\_\_\_ doing that, count the steps. You may find the number of steps

\_\_\_\_\_ coming down \_\_\_\_\_ going up.
