

Goal: Get the most flashcards!

Materials: Flashcards (1-32),
a pouch, game pieces

How to play

1. Divide students into groups of two to four.
2. Students place flashcards (1-32) into the pouch.
3. Students take turns drawing a flashcard from the pouch.
4. Students show the picture side of the flashcard to other students and say the word aloud.
5. Students move their game piece forward to the next space that matches the flashcard's target.
6. If the game piece lands on a red space, students miss their next turn.
7. If the game piece lands on a blue space, students draw another flashcard and continue their turn.
8. The first student to arrive at **Finish** gets three more flashcards.
9. After all students have finished, the student with the most flashcards wins the game.
