

# A Sight to See

light

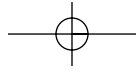

pie

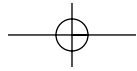

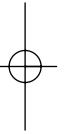

lie night pie  
right sight tie

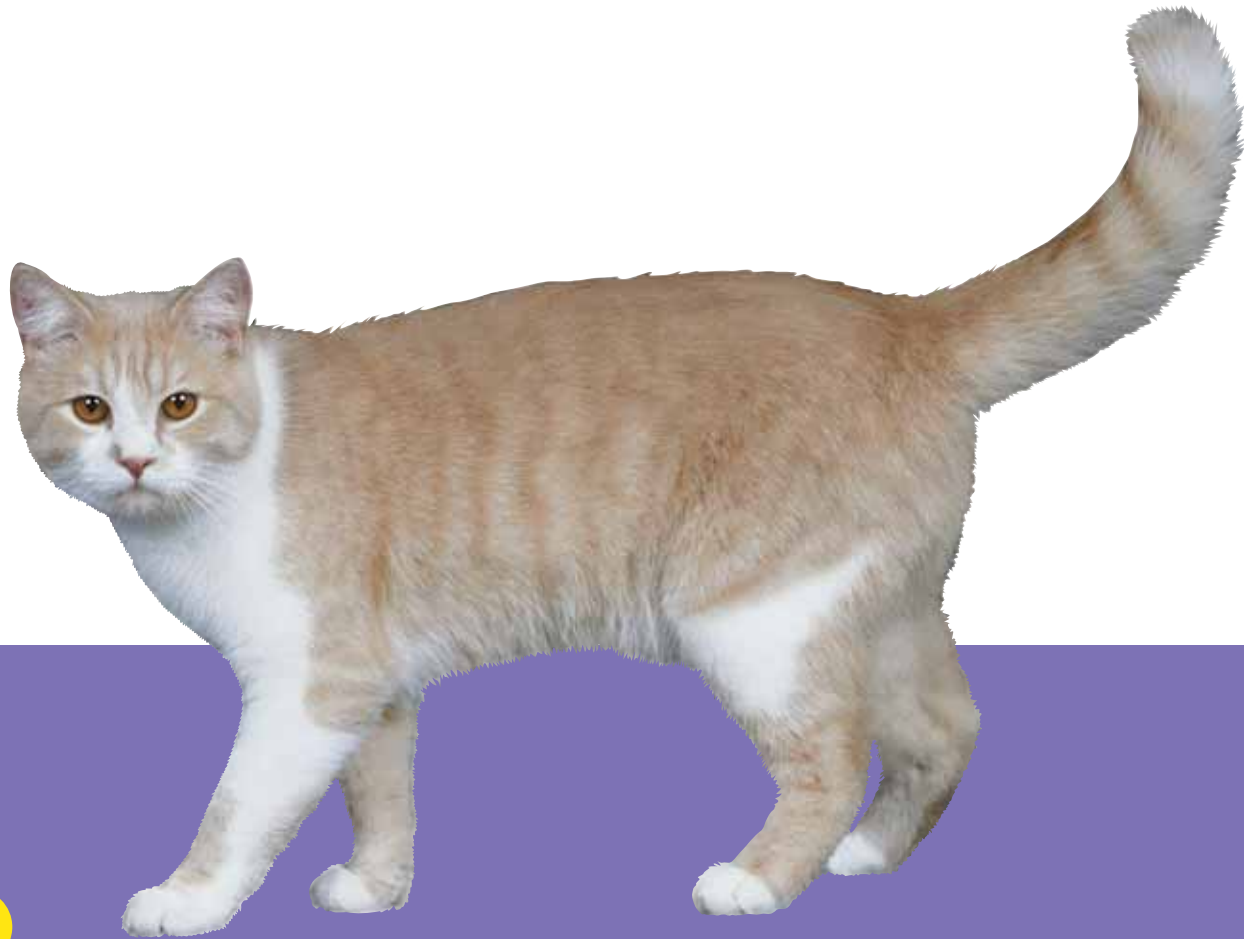

I will look  
at the big bug.  
It is a fine sight to see!

I will pick  
a bold red tie.  
The bold red tie  
is right for Dad!

I will pet the tan cat.  
I will lie on the cot  
and hold the cat.

I will smell the big red rose.  
I can hold it right up  
and sniff!

I will have  
hot pie now.

I like pie hot, not cold!

I will play  
a tape right now.  
I can tap, tap, tap with it!

I will lie back in bed.  
I can hug the cat  
all night!
