### Read and understand

Last week I went on a field trip to a fire station.

I sat on a fire truck and wore a firefighter's jacket.

I met Jane's aunt and uncle. Both of them are firefighters. Her uncle is the man with straight brown hair. Her aunt is the woman with curly blond hair. She also has beautiful blue eyes.

I want to be a firefighter, too!

Dear Susan,

I am sending you a picture of my brother, sister, and two cousins. My brother is the boy with curly red hair. My sister is the girl in the purple pants. One of my cousins is the girl in the pink dress. My other cousin is the boy with short red hair.

I miss you!

Yours,

*Anna*
