Do you want some chewing gum? Not in Singapore. People must not sell gum in Singapore. The government wants to keep the streets clean. You may eat gum in Singapore. You just must not sell it or bring it into the country.

I like the movie theater near my house. They have lots of good movies. I usually go there with my brother and sister on the weekend. But they have a lot of rules there. You must turn off your phone in the theater. You must not shout or talk loudly when the movie is on. People are there to enjoy the movie.

You may have food and drinks inside the theater. That's good because I love popcorn and soda. But you must not chew gum. Gum is sticky, and some people put it on the chairs. Also, you must not use a video camera inside the theater. I think these rules are all good.

B Choose one place. Think about what people must or must not do, and what they may or may not do there. Fill in the chart.
