I was very excited when I met Niki Nax. She's my favorite actress. She became famous when she played Kat in a very popular TV show. She's acted in lots of movies, and she's a singer, too.

She was small and pretty and very relaxed. I asked her lots of questions, and she answered them all. She's very confident.

My first question was "Who is your idol?" She said her sister was her best friend and her idol. She said she liked acting with her sister in different movies.

I asked her about her hobbies and she said she liked shopping and going to the beach. She also said she sometimes went out and danced or went to the movie theater. She said, "I'm just a regular girl."

I asked about her pets and she said she had four dogs and a cat. She said they were very funny.

When I asked, "Do you like being a celebrity?" she said she didn't think she was a celebrity. She thought Madonna was a celebrity. But she said she was very lucky and she enjoyed her life. She said she loved singing, acting, and traveling.
