### Reading 1 Title: *Make Your Party Planning Easy*

Here are some tips to make your party planning stress-free. First of all, your party planning should not be intimidating. By starting your party planning early, you can create and host a party that will be memorable for every guest. You can write down a detailed party planning checklist and make sure that you do not miss anything. You also need a detailed shopping list so that you do not forget any supplies. You can also make the party special by choosing a creative theme. For example, you can host a Harry Potter-inspired dinner with wand-shaped chopsticks! When you send out invitation cards, don't forget to decorate the cards with some ornaments from craft stores. You will feel proud of yourself after the party.

24. Read and choose.

**You should not have any creative theme in party because some people might not like it.**

- ① True    ② False

25. Read and choose the correct sentence according to the passage above.

- ① Planning a party is always stressful and difficult.  
② You wouldn't have any problems even if you start your party planning late.  
③ You can plan a perfect party by making a detailed checklist.  
④ Planning a party costs a lot of money.  
⑤ You can only use simple designs for invitation cards.

### Reading 2 Title: *Llanos de Moxos*

Llanos de Moxos is the world's largest protected wetland. It is located in Bolivia, which is one of the countries in South America. The size of the wetland is almost the same as the size of the state of North Dakota of the United States. Llanos de Moxos is made up of tropical savannas, and it regularly experiences cyclical droughts and floods. One expert says that the Moxos wetlands are very important for the health of the Amazon. Moreover, many rare and threatened species such as the giant river otter or Bolivian river dolphin live in Llanos de Moxos. Many organizations are making an effort to protect this precious wetland.
