- 6 Also, dentists use it to ( use / repair ) people's teeth.

**[7-8] Go back to the passages. Complete the sentences.**

- 7 Midas asked the fairy again and again to take away his wish.

→ Midas \_\_\_\_\_ the fairy to take away his wish.

- 8 People still use gold as money and to make different things.

→ Gold is still valuable and \_\_\_\_\_.

**[9-12] Read and choose True or False.**

One day, a fairy came to Midas. She said, "You can have one wish."  
"I want to turn everything I touch into gold," said Midas.

So the fairy gave the king his wish. Midas touched a chair, and it turned into gold. He touched a table, and it turned into gold. "I'll touch everything in the palace!" Midas shouted. He was so happy.
