### Show How You Feel

Your body can show who your character is. Your face can show how your character feels. A character can't just say, "I am happy," or "I am sad." Their faces have to show it, too!

#### Practice

Look at the pictures. Can you say how each face feels? Fill in the blank with the right feeling. Then say, "I'm \_\_\_\_\_." Try to make your own face look like the picture.

angry  
happy  
sad  
scared

I'm \_\_\_\_\_. I'm \_\_\_\_\_. I'm \_\_\_\_\_. I'm \_\_\_\_\_.

## C Look at the pictures. How do the characters feel? Say the sentence and show the feeling with your face.

1. I will blow down your house!

2. Oh, no!

## D Listen to the script. Practice with the video.
