SCHOOL Phonics

Level	Content	Units (Pages per Unit)	CEFR
Level 1	Single Letter Sounds	12 (8)	A1
Level 2	Short Vowels	12 (8)	A1
Level 3	Long Vowels/Double Letter Consonants	12 (8)	A1
Level 4	Double Letter Vowels	12 (8)	A1

Designed for EFL Students

A **systematic syllabus** allows students to easily see the progression from single letter sounds (the alphabet) to vowels and consonants.

Lots of listening activities – EFL students need a lot of listening practice, since they won't receive as much of it outside the classroom.

A **blended approach** to phonics learning – students will start with the individual sounds and then see them in words, sentences, and stories.

Fun and Interactive for Students

The series includes a lot of fun activities for students to practice the phonics they've learned in the student book. These include:

- Hybrid app with fun games
- Story animations
- Board games
- Online platform with engaging activities

SCHOOL Phonics

Designed for EFL Students

LEVEL 1	Aa Bb Cc		4
LEVEL 2	Dd Ee Ff		12
LEVEL 3	Gg Hh Ii		20
LEVEL 4	Review 1	Aa-Ii	28

Each student book comes with a **graded reader**. These give students a chance to practice the phonics skills they've learned while reading a fun story. Each story also comes with writing, comprehension, and phonics review questions.

Great Foundation

School Phonics is a great foundation program for students starting a primary English program. Phonics gives students basic speaking, listening, and reading skills which improves their motivation and confidence.
