3 Find information on these topics. Look in books or on the Internet.

- 1 Houdini's other famous tricks.
- 2 The American magician, David Copperfield.
- 3 Magicians in your own country.

Instruments Around the World

1 Look at the poster. Label the pictures.

bagpipes	didgeridoo
koto	nose flute
	pan pipes

2 Look at the poster. Write the countries or regions.

- 1 The bagpipes are from _____.
- 2 The didgeridoo is from _____.
- 3 The kalangu is from _____.
- 4 The koto is from _____.
- 5 The nose flute is from _____.
- 6 The pan pipes are from _____.

3 Put the instruments from Activity 2 into the correct groups.

Percussion	Stringed	Wind

4 Look at the poster. Complete the sentences.

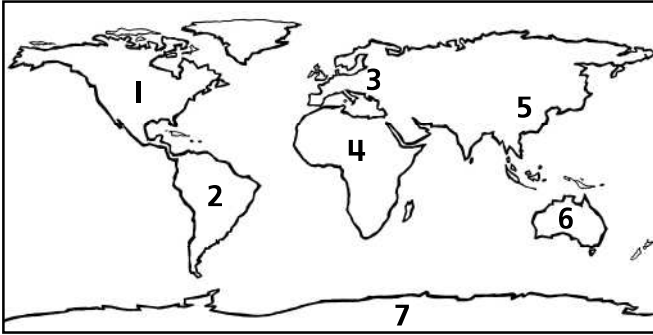

- 1 Scottish soldiers used to play the _____ when they went to war.
- 2 The _____ and the _____ were both used to send messages.
- 3 The _____ are also called "zampona."
- 4 Part of the _____ is called the "dragon's tail."
- 5 The _____ is usually decorated with traditional pictures.

5 Find information on these topics. Look in books or on the Internet.

- 1 Traditional music in your country or region.
- 2 Traditional instruments in your country or region.

Continents

- 1 Look at the map on the poster. Match the numbers with the continents.

Africa _____
 Antarctica _____
 Asia _____
 Australia _____
 Europe _____
 North America _____
 South America _____

- 2 Look at the poster. Write the names.

- 1 The longest river in the world.
 Continent: _____
 Name of river: _____
- 2 The longest road tunnel in the world.
 Continent: _____
 Name of tunnel: _____
- 3 The highest mountain range in the world.
 Continent: _____
 Name of mountain range:

- 4 The largest island in the world.
 Continent: _____
 Name of island: _____
- 5 The largest rain forest in the world.
 Continent: _____
 Name of range: _____

- 3 Look at the poster. Answer the questions.

- 1 What two continents do not have any tropical rainforests?
 _____ and _____
- 2 What two continents do not have any cold regions?
 _____ and _____
- 3 Russia is in what two continents?
 _____ and _____
- 4 What is the largest continent?

- 5 What is the smallest continent?

- 4 Find information on these topics. Look in books or on the Internet.

- 1 The different countries in your continent.
- 2 The hottest parts of your continent.
- 3 The coldest parts of your continent.

Speed

1 Look at the poster. Write these animals in order from the slowest to the fastest.

a cat a cheetah a dolphin a duck
 a human swimmer a human athlete
 a penguin a sailfish a turtle

- 1 _____ (the slowest)
- 2 _____
- 3 _____
- 4 _____
- 5 _____
- 6 _____
- 7 _____
- 8 _____
- 9 _____ (the fastest)

2 Look at the pictures. Complete the sentences.

1 This is the fastest _____ in the world. It can travel at _____ kph.

2 This is the fastest _____ that you can buy. It can travel at _____ kph.

3 This is the fastest _____ in the world. It can travel at _____ kph.

3 Calculate the answers to these puzzles.

1 A car has been traveling for 60 minutes. It has traveled 80 kilometers. How fast has it been traveling?

2 A horse has been running for 30 minutes. It has traveled 18 kilometers. How fast has it been running?

3 A man has been swimming for 10 minutes. He has traveled 1 kilometer. How fast has he been swimming?

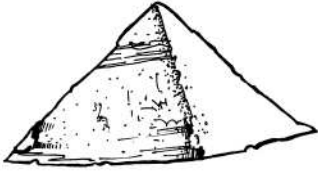

4 Write two more puzzles for your classmates.

1 _____

2 _____

The Seven Wonders of the World

- 1 Look at the poster. Label the pictures.

1 _____

2 _____

3 _____

- 2 Look at the poster. Answer the questions.

- 1 What two Wonders were built in ancient Egypt?

- 2 What two Wonders were built in Turkey?

- 3 What two Wonders were tombs?

- 4 What two Wonders were destroyed by fire?

- 5 What two Wonders were destroyed by earthquakes?

- 6 What two Wonders were built on islands?

- 3 Look at the poster. Answer the questions.

- 1 How old is the Great Pyramid of Giza?

 - 2 How tall was the Statue of Zeus at Olympia?

 - 3 How tall was the Lighthouse of Alexandria?

 - 4 Where can you see parts of the Mausoleum at Halicarnassus?

 - 5 For how many years did the Colossus of Rhodes stand next to the harbor?

 - 6 How many pieces of stone were used to build the Great Pyramid of Giza?

- 4 Find information on this topic. Look in books or on the Internet.
- Pyramids and temples in my country or region.

The Senses

1 Look at the poster. Match the parts of the tongue with the tastes that they detect.

sweet sour bitter salt

2 Look at the poster. Match the two halves of the definitions.

- | | |
|-------------------|--|
| 1 Nerves | a) is the colored part of the eye. |
| 2 The pupil | b) for measuring sound. |
| 3 The iris | c) send information to the brain. |
| 4 We use decibels | d) are special nerves on our tongue. |
| 5 Taste buds | e) is the black circle in the center of the eye. |

3 Look at the poster. Answer the questions.

- 1 How many senses do we have?

- 2 Do our pupils get bigger or smaller when it's sunny?

- 3 How many decibels is the sound of a person whispering?

- 4 How many taste buds are there on our tongue?

- 5 Why can we detect touch better with our fingertips than with the back of our hand?

4 Write your own opinions.

- 1 What is your favorite taste?

- 2 What is your favorite smell?

- 3 What is your favorite sound?

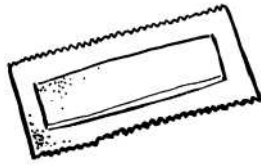

- 4 What sounds do you hate?

Food Inventors

- 1 Look at the poster. Then look at the pictures and complete.

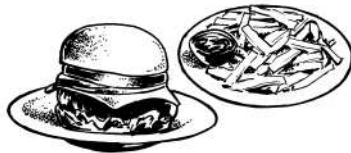

- 1 Invented by _____
in the year _____.

- 2 Invented by _____
in the year _____.

- 3 Invented by _____
in the year _____.

- 4 Invented by _____
in the year _____.

- 5 Invented by _____
in the year _____.

- 2 Look at the poster. Answer the questions.

- 1 Which two foods were invented by accident?

- 2 When was the first chewing gum sold in stores?

- 3 How much money did the inventor of frozen food get for his method?

- 4 When was the Earl of Sandwich born?

- 5 Where was the inventor of the hamburger from?

- 6 What was the inventor of cornflakes trying to make when he invented them?

- 3 Find information about these other foods. Look in books or on the Internet.

- 1 Potato chips (invented by George Crum)

- 2 Bubble gum (invented by Frank Fler)

- 3 Lollipops (invented by Samuel Born)

- 4 Popsicles (invented by Frank Epperson)

Folk Tales

- 1 Look at the poster. Find out what is happening in this picture and write.

- 2 Write the countries where these folk tales come from.

6 Why did the pumpkin boat sink?

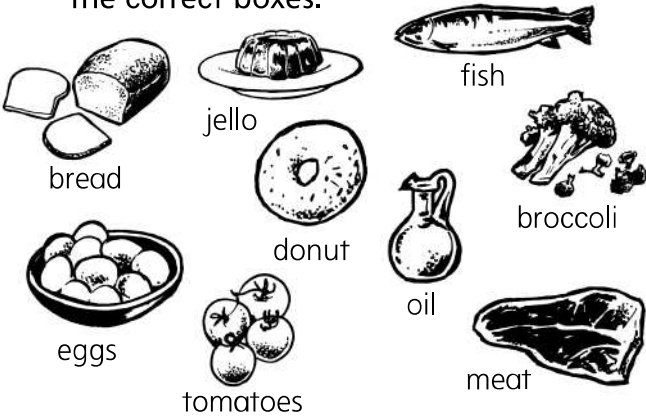

- 5 Find information on these topics. Look in books or on the Internet.

1 A folk tale from your country or region.

2 A folk tale that you know from TV or movies.

Food and Health

1 Look at the poster. Write these foods in the correct boxes.

Eat Most

Eat Moderately

Eat Least

2 Look at the poster and match.

- | | |
|---------------------|---------------------------|
| 1 Vitamin A | a) healthy skin |
| 2 Vitamin B complex | b) healthy bones |
| 3 Vitamin C | c) healthy eyes |
| 4 Vitamin D | d) healthy blood |
| 5 Vitamin E | e) healthy teeth and gums |
| 6 Vitamin K | f) healthy muscles |

3 What vitamins do these foods contain?

- | | |
|--------------------|---------------------------------------|
| 1 rice | Vitamin ____ |
| 2 oranges | Vitamin ____ |
| 3 eggs | Vitamins ____ and ____ |
| 4 cheese | Vitamins ____ and ____ |
| 5 green vegetables | Vitamins ____, ____,
____ and ____ |

4 Answer the questions about you.

- 1 What do you usually have for breakfast?

 What vitamins does it contain?

- 2 What do you usually have during the day?

 What vitamins does it contain?

- 3 What do you usually have in the evening?

 What vitamins does it contain?

Taking Care of Our World

- 1 Look at the poster. Complete the sentences about how these people are taking care of our world.

- 1 They're _____.
This helps to reduce _____.

- 2 He's _____.
This helps to reduce _____.

- 3 They're _____.
This helps to save _____.

- 4 She's _____.
This helps to save _____.

- 2 Look at the poster. Answer the questions.

- 1 What are three kinds of clean energy?

- 2 What happens when acid rain falls?

- 3 What kind of pollution do cars cause?

- 4 What kind of pollution do ships cause?

- 5 Where does ivory come from?

- 6 What do forests produce that we breathe?

- 3 Find information on these topics. Look in books or on the Internet.

- 1 How is your country trying to reduce air pollution?

- 2 What things do you do to help take care of our world?

The Olympic Games

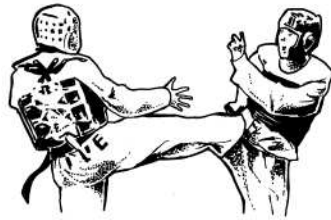

1 Look at the poster. Label the sports.

1 _____

2 _____

3 _____

4 _____

2 Look at the poster. Write the years that the Olympic Games were held in these places.

1 Athens, Greece _____ and _____

2 Seoul, South Korea _____

3 Beijing, China _____

4 Olympia _____

5 Sydney, Australia _____

6 Atlanta, U.S.A. _____

3 Look at the poster. Answer the questions.

1 What Olympic sport includes three different activities?

2 How many gold medals did Carl Lewis win in total?

3 How far do the competitors cycle in the triathlon?

4 How many circles are on the Olympic flag?

5 How many different countries took part in the 1988 Olympics?

4 Find information on these topics. Look in books or on the Internet.

1 Olympic athletes from your country.

2 Winter Olympic sports.
